Subject: **Continuation of accreditation**

Dear Sir,

This is to inform you that NABL has reviewed the desktop surveillance documents submitted by the laboratory and NABL approves continuation of accreditation in accordance with ISO 15189: 2012 in the field of Medical testing as per the existing scope (Molecular Testing).

Being an accredited laboratory, it is required to strictly adhere to the Terms and Conditions as mentioned in NABL 131 at all times during the accreditation period.

Continuation of accreditation is subject to satisfactory annual surveillance. NABL applies an assessment programme of 2 years which consists of annual surveillance and renewal assessment after grant of accreditation. The renewal application is to be submitted 6 months prior to expiry of validity of accreditation certificate. Hence, please submit the renewal application in <06/ 2024> for maintaining continuity in accreditation cycle.

Being an accredited laboratory, it is required to strictly adhere to the NABL 133 requirements for use of NABL symbol. In case you wish to use the "NABL Accredited CAB Combined ILAC MRA Mark" in your reports, please submit request for permission through the portal.

With respect to the persons to review the results and authorize the release of reports, it is the responsibility of laboratory to abide by the National/ Regional/ State/ Local regulatory requirement/ Acts/ Rules/ Legal orders/ Court Decisions/ Orders issued by Government/ Statutory Bodies as applicable and effective from time to time.

Yours Sincerely,

Shalu Kaushik
